

North Carolina 12th Congressional District U.S. Service Academy Nominations

Each year I nominate qualified graduating high school seniors from the 12th Congressional District for appointment to the U.S. Military, Naval, Air Force and Merchant Marine Academies. The U.S. Coast Guard Academy does not require a nomination. Each Congressional office has his or her method for selecting nominees. My Congressional office uses the Principal with Numbered Alternates method.

My Academy Selection Committee interviews each applicant. A nomination is based on SAT/ACT scores, class rank, physical aptitude scores, extracurricular activities, physical fitness, medical examination and letters of recommendation. **The deadline for submitting a completed application to my office is November 1, 2008.**

Each applicant for a nomination must meet the following basic eligibility requirements by July 1st of the year you seek admission to an academy.

- Must be a United States citizen.
- Must be between the ages of 17 and 23.
- Must be unmarried.
- Must have no legal obligation to support children or other dependents.

U.S. Service Academies provide outstanding opportunities for qualified men and women to receive one of the most respected college educational experiences in the nation. For additional information, you may contact one of my offices or access the Service Academies websites:
